The 10×10 advertising tent or pop up tent is one of the most popular display solutions for all kinds of events and activities. The tent top is printed and sewn 600D Poly PU. Our dye sublimation printed tent top can ensure a clear and crisp color. If you want your trade show booth to stand out, you definitely need a custom advertising tent.

10 x 15

The canopy tent, also called marquee and gazebo, is a widely used promotional tool. It can be used for indoor events and outdoor activities, like trade shows, parties, athletic events or outdoor commercial events.

10 x 20

Equipped with a high-quality tent frame, our advertising tents can guarantee stability even in mildly windy weather. Perfect for all kinds of indoor and outdoor uses, whether it is a trade show, an exhibition, a sports event or a new product launch.

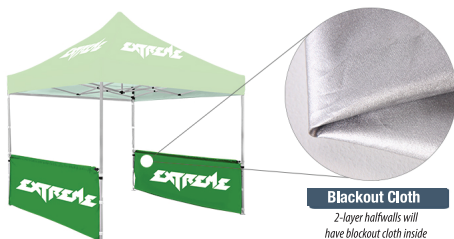

Features:
Full Color Dye Sublimation
Water Proof • Flame Retardant
UV Protection

HALF

The half wall is always used as a side wall that can be freely matched to suit your different occasions, such as an outdoor promotion store or an indoor trade show. Our half walls are designed to match your tent top. By adding sidewalls to your tent kit, you will increase your exposure.

FULL

The full wall is always used as a back wall. With its large printing size, the full walls are perfect when it comes to creating a closed and clear marketing area. The full wall can be freely matched to suit your different occasions, such as an outdoor promotion store or a indoor trade show.

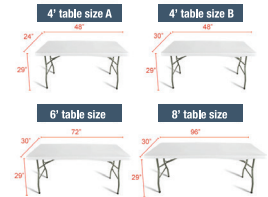

TABLE COVERS

Featuring a clear and clean design, the custom table throw can easily highlight your brand, logo or the important message you want to express and convey.

Features:

Wrinkle Resistant • Machine Washable
4ft, 6 ft and 8 ft Available

FITTED

The classic fitted table cover is one of the most commonly used promotional tools at trade shows, displays or exhibitions.

STRETCHED

Made of high-quality elastic polyester fabrics in a broad range of colors, stretch trade show table covers add an attractive and professional appearance.

REGULAR

Featuring clear and clean design, the custom table throw can easily highlight your brand, logo or the important message you want to express and convey.

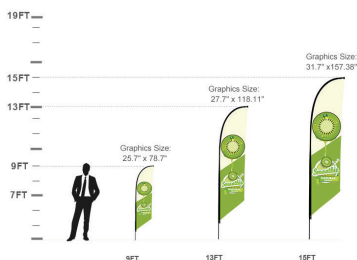

***AVAILABLE OPTIONS INCLUDE:**
OPEN BACK, BACK SLIT, BACK SLIT WITH ZIPPER

CUSTOM FLAGS

With Custom sizes, shapes and designs, your flags with logos will definitely be an attention-grabber. Featuring gorgeous printing and creative designs, custom pole flags are excellent for showcasing your team spirit, company logo and become the focus of the crowd.

Features:

Single & Double Sided Available
Full-color Digital Printing

PREMIUM TELESCOPIC FIBERGLASS FLAGS

DISPLAY FLAGS

Our display flags are highly customizable with various shapes and multiple hardware for you to select from. If you plan to catch more attention at the upcoming trade show or promotion activity, then our display flags are sure to help you achieve it.

Single Sided

Double Sided

TEAR DROP

The unique design of the teardrop flag allows your marketing information to stand out from other traditional display products. The economy teardrop flag is suitable for indoor and outdoor events.

Single Sided

Double Sided

CONCAVE

This is one of our superior advertising flags, ideal for indoor as well as outdoor events. Works well on busy streets, open squares and crowded trade shows.

CONVEX

Start your promotion with lightweight flags and enables you to enjoy a flexible and convenient display.

Single Sided

Double Sided

Single Sided

Double Sided

RECTANGLE

The affordable rectangle feather flag is widely used for indoor and outdoor events and works well on busy streets, open squares and crowded trade shows.

**All display flags come with a carry bag & your choice of ground spike or x-base.*

ACCESSORIES

We offer more than 50 advertising flag templates for you to select from. Or if you send us the specific sizes of hardware, we can also make the customized advertising flag to suit it.

BANNERS

Whether you need a single banner for a special occasion, or dozens for a retail promotion, we supply the highest quality at the lowest cost. We print all our banners at a high resolution with vibrant waterproof and UV resistant inks.

Features:

Innovative and Novel Look • Customized Sizes and Shapes
High-quality Printing Assurance

CUSTOM BANNERS

With its key features being lightweight and portable, custom banners made of knitted polyester are great for both indoor trade shows and outdoor promotional activities. Each of our custom banners are printed with vivid color and designed with the stylish shape.

BANNER STANDS

FABRIC

The straight fabric banner stand with heavy duty base allows you to enjoy a steady display. Easy to set up and convenient to change graphics.

RETRACTABLE

This deluxe retractable banner is known to have the best support and is ideal for competitive differentiation. Digital printed with custom graphics installed and set up in the structure.

TENSION BANNERS

An alternative to the roller banner and cassette banner stands, tension banners are lightweight, easy to assemble and pack down into a small carry bag for easy transportation.

Features:

Material: 250g Soft knitted • Available in 8ft or 10ft widths

An amazing and prominent display effect

Lightweight and easy to set up

Enlivening your trade show booth in a minute

CURVED

Tailored with grand size and unique shape, the curved tension fabric display presents you with an eye-popping and breath-taking image, which will immediately become the focus in any crowd.

STRAIGHT

Prominent printing space allows you to enjoy the largest brand exposure. The tension fabric tube display with the unique graphic is definitely noticeable among the crowd.

BibBUTTONS

NO PINS. NO HOLES. NO FUSS

BibButtons are designed to clip your number on using a click clip system when placed in each corner of your race bib.
